BENEFITS OF MEMBERSHIP AT POS

Membership in POS is a valuable way to participate in a unique bioprocessing research concept. Membership is open to most organizations, with benefits differing depending upon the class of membership obtained.

CLASSES OF MEMBERSHIP

1. Industrial

Open to all companies with an active and direct interest in bioprocessing technologies.

Benefits:

Preferred rate of 20% off for research work up to a maximum savings of twice the membership fee.

Preferred access to the pilot plant.

Ability to participate and network at POS's Annual General Meeting as a voting member.

Ability to select a candidate for election to POS's Board of Directors or committee of the Board.

Receipt of the "POS Inside Report" and other publications exclusively for member companies.

Posting of corporate web page link and corporate summary on POS's popular web site.

Framed certificate identifying the organization as an Industrial Member of POS.

The annual membership fee is:

<u>Gross Sales Per Year</u>	<u>Membership Fee</u>
0 to \$20 million	\$2,500
\$20 million to \$100 million	\$4,000
Over \$100 million	\$5,000

2. Federal Membership

The Government of Canada, which has funded POS activities to a considerable extent, is a Member of the Corporation and has the right to Board representation. Benefits are extended to all departments of the Federal Government.

3. Provincial Membership

Open to all provincial governments of Canada.

Benefits:

- Preferred rate for research work by provincial agencies and corporations located within the province.
- Ability to participate at POS's Annual General Meeting as a voting member.
- Ability to select one provincial representative to sit on POS's Board of Directors.
- Receipt of the "POS Inside Report" and other publications exclusively for member companies.
- Posting of web page link and summary on POS's web site.

The annual membership fee is \$25,000.

4. Associate Membership

Benefits:

Organizations or companies with an interest in POS's activities, which are unlikely to make use of POS's services. Associate membership expresses support of the bioprocessing industry and the importance of POS's role.

- Visible support of POS and the bioprocessing industry.
- Ability to participate and network at POS's Annual General Meeting as a non-voting member.
- Receipt of the "POS Inside Report" or other publications and information which POS sends to member companies.
- Posting of corporate web page link and corporate summary on POS's popular web site.
- Framed certificate identifying the organization as an Associate Member of POS.

The annual membership fee is \$500.
